۴,۵	متن زیر را بخوانید و به سوالات آن پاسخ دهید. Elderly people have to deal with the problems of aging, especially those related to health and income. Health-related issues commonly include normal losses of hearing, eyesight and memory. In addition, the elderly run a high risk of developing some serious illnesses such as kidney problem, stomach cancer, diabetes, and heart disease. While some people do not experience these issues until very old age, a lot of them learn to find a way to live with the limitations caused by health problems. Nowadays, elderly people receive better medical care during their lives as most governments have national health plans for them. Income, as another important problem, has also influenced the way the elderly live. Most of these people are retired and do not work anymore. They usually earn about half the money that working people make. As a result, they may face various economic issues. This makes the situation even more difficult for those who do not have suitable houses, have no access to means of transportation and not receive social services. Something needs to be done to improve their condition so that they feel more hopeful about the future. They will find it difficult to keep their social relationships. Providing better medical care and meeting their money-related needs will help them live a happy life. ۳۹. National health plans offer the elderly better medical care. a. True b. False ۴۰. Keeping social relationships is hard in old age. a. True b. False ۴۱. What are the two main problems of getting old? a. experience and social services b. health and income c. cancer and sickness d. limitations and retirement ۴۲. Many elderly people deal with health-related problems by a. being socially less active b. not working any more c. having several economic issues d. getting help from their government ۴۳. Write a synonym for the word "various" in line ۳ of the second paragraph. ۴۴. What serious health-related problems do the elderly face? ۴۵. How much do retired people earn? 	۱۱

۴,۵	متن زیر را بخوانید و به سوالات آن پاسخ دهید. Electric cars will make gasoline cars less popular in the future. Electric cars use electricity that is stored in car batteries and do not use any types of fossil fuels. Hence, they are environmentally friendly. These cars have ۱۲ or ۲۴ batteries which might be similar to the batteries you can find in flashlights or in regular gasoline cars but are completely different from cellular batteries. To get these batteries ready to roll, you have to charge them just the way you charge the portable devices you carry around every day such as your cellphone, digital camera or laptop. You can recharge these batteries either at home or at gas stations. Car engineers are trying to use batteries that hold more energy and last longer. Until such batteries are available in the market, hybrid cars can be very helpful. Hybrid cars run partly on gasoline and partly on electricity. Many people believe hybrid cars can help reduce air pollution because they offer the benefits of gasoline engines and electric motors. Therefore, they can meet different goals such as better fuel economy or more power. ۴۶. Electric cars have batteries which are like cellular batteries. a. True b. False ۴۷. You need to recharge your electric car only at gas stations. a. True b. False ۴۸. What does “they” in the third line refer to? a. electric cars b. batteries c. fossil fuels ۴۹. The word “portable” in line ۶ is similar in meaning to a. rechargeable b. suitable c. moveable ۵۰. Electric cars are environmentally friendly because of a. using a lot of gasoline b. not polluting the air c. being available in the market ۵۱. What types of fuels can hybrid cars use? ۵۲. What are car engineers trying to do?	۱۲
